

Heated Display Cabinets / Merchandisers

Our counter top heated display cabinets / merchandisers are a stylish "serve over" heated cabinet providing the perfect display for all your hot savoury products. It is ideal for fries, chicken strips, samosas, indeed any products cooked by the Perfect Fry ventless fryer. The MFM series feature a large water well for optimum humidity and internal illumination with a separate control for the front illuminated graphic (pictures can be changed to best suit your own menu).
